

AAPM Southern California Chapter Norm Baily Awards and MedPhys Slam

The Southern California Chapter of the American Association of Physicists in Medicine (AAPM-SCC) wishes to announce **two** student / resident competitions for 2019; our annual **Norm Baily Awards** and the **MedPhys Slam Event**.

The 2019 Norm Baily Award has two award categories; a graduate and a post-doc/resident category. Any graduate student in a medical physics program in the Southern California is eligible for the Graduate Student Award and any medical physics resident or medical physics post-doctoral fellow is eligible for the Resident/Post-doctoral Award.

To participate students/residents/post-docs should send a 300 word abstract of their work with optional 2 pages of supporting documents (up to 750kBytes) no later than midnight on April 19, 2019. All submissions should be e-mailed to Steve Goetsch at: stevegoetsch@sdgkc.com.

Award Certificates and cash prizes of \$300.00 and \$200.00 will be awarded to the **First** and **Second** place winners in the Students and Residents/Postdoc Categories respectively. The award winners will be notified prior to the **Norm Baily Awards Ceremony on May 14th, 2019**.

Additionally, all students/residents/post-docs are invited to participate in the MedPhys Slam Event. This is a research communication competition that will be judged May 14th the night of the Norm Baily Award. Presenters have 3 minutes to give the what, how, and why of their research and convince a panel of judges that their work is impactful and important. **To participate in the MedPhys Slam event just affirm your interest with your Norm Baily submission.** A single winner will be determined for the Slam event that evening and will represent our chapter at the National MedPhys Slam Competition to be held at the 2019 AAPM Annual meeting in San Antonio, TX and will receive a cash prize of \$1500/- to offset travel costs to the National MedPhys Slam Competition.

Additional details regarding the Slam Event will be posted on the Chapter website at www.aapm-scc.org. The 2019 Norm Baily Awards event will be held on May 14, 2019 at The Moores Cancer Center at University of California, San Diego, La Jolla, CA. Program and venue details will be communicated to the Chapter membership in the near future.

We encourage all students, postdocs and residents in Southern California to participate in this competition.
